12 As desired by the Dewan I sent for Dr. Monteiro with reference to his application for a post in Lahore. He said that he is now getting Rs.355 and that except for an increase of Rs.5 to his pay three years hence, he has no chance of advancement and that he cannot look for a Surgeon's place on Rs.400 for several years. He pointed out further that if on the transfer of the Medical College to Mysore in July 1930 he is also transferred there, he would lose his private practice which is his main stay at present. Apart from this, he feels keenly that Government did not view with favour his request to count the probationary period of one year on his first appointment as counting for increment as recommended by the Senior Surgeon with the result that four officers who were juniors to him and in the second class of Assistant Surgeons while he was in the first class subsequently went over him.

13 Further, while in the beginning he was only required to do dental work and had his afternoons free, now he is required not only to do general work (with charge of some of the regular wards) and attend both morning and afternoon, but also to do dental work. He feels therefore that some allowance is due to him for this.

14 After some discussion he agreed to withdraw his application to Lahore if Government would favourably consider the question of giving him a Surgeon's place.

15 We have now no other qualified Dental Surgeon in the State, and it would be some time before we can send any of our Medical men for dental training For this reason and also in view of the very high professional abilities of Dr. Monteiro both in the ordinary surgical line and in the branch of Dentistry it would be a great pity to allow him to leave the State service. I am of opinion that his request may be granted by making him a supernumerary Surgeon in the last class. The extra cost of Rs.45 per mensem can be easily met.

16 As regards Dr. A.Subba Rao who is now drawing Rs.460 in the grade Rs.400-30-700 is a D.Sc. of London with a double M.Sc. He is the most highly qualified man in India at present and I was of opinion that when he came back from England he should have been appointed to the grade Rs.500-50-1,000. Apart from his other qualifications he has a large debt to discharge to Government as well as to others, and I understand that his present salary after all the deductions that will have to be made leaves very little for his maintenance. I would recommend that he may be given Rs.600 in the grade Rs.500-50-1,000.

17 I am inclined to agree with the Member. May I request the other Member for his remarks.

Final Note by the Third Member of Council.

Subject:— Proposal to appoint Mr.V.V. Monteiro as Supernumerary Surgeon and to promote Dr. A. Subba Rao to Rs.600 in grade Rs.500-50-1000

I submit herewith certain proposals for improving the position of Dr. A. Subba Rao, D.Sc., Professor of Physiology in the Medical College and Mr. V.V. Monteiro, Assistant Surgeon.

Dr. A. Subba Rao proceeded to London on a loan foreign scholarship to study Zoology and he obtained the high degree of D.Sc. of the London University. Subsequently, he was given a free Damodar Das Scholarship to enable him to take an additional qualification in Physiology. In this Branch he got the M.Sc. degree and after his return to Mysore he was appointed Professor of Physiology in the grade Rs.400-30-700. He is now drawing Rs.460 in that grade.

The Lahore University has advertised the post of Professor of Physiology in that University on a salary starting from Rs.1,400. Dr. A. Subba Rao submitted his application for the post through the Mysore University and the Registrar of the Mysore University forwarded the application for being transmitted to the Lahore University. Dr. Subba Rao is under agreement to serve the Government of Mysore and he owes a considerable sum of money to Government on account of his loan scholarship, and if he leaves the service now he will have to repay the amount of the free scholarship also. For these reasons I noted on Dr. Subba Rao's application that I was not for permitting him to go and added that he was a very eminent Scientist and our University and the Medical College would greatly lose if he was allowed to go away. The Dewan agreed in this view that the application should not be forwarded.

The post of Dental Surgeon in the Lahore hospital on a salary of Rs.1000-50-1500 having also been advertised, Mr.V.V. Monteiro, Assistant Surgeon, Victoria Hospital has sent up his application for the post for being transmitted. Mr. Monteiro obtained his training

in Dental Surgery in England on a free Foreign scholarship. In his case the period of five years for which he was bound to serve the Government in consideration of the scholarship given to him, has already expired and he is under no legal obligation to remain in the Mysore service. I was therefore of the opinion that his application might be forwarded.

Subsequently, as desired by the Dewan I sent for Mr. Monteiro with reference to his application and the various aspects of his case are mentioned in my note of the 24th January last. Mr. Monteiro is agreeable to stay on if he is given the position of Surgeon. It is of course not certain that Mr. Monteiro would get the post if his application is forwarded, but he is prepared to resign in case Government are not willing to forward his application. If he is to leave we shall be without a qualified dental Surgeon for the Victoria Hospital or the Medical College. In these circumstances it is proposed to promote him to the grade of Surgeons on Rs.400 as a Supernumerary. He is now drawing Rs.300 plus 55 personal allowance, as a first grade Assistant Surgeon. The proposal results in Mr. Monteiro's emoluments being raised by Rs.45.

At the same time I considered that some improvement in the position of Dr. Subba Rao was justifiable. He is perhaps the highest authority in his subject in the whole of India and I am of opinion that he fully deserves to be put in the grade of University Professors on Rs.500-50-1,000. He entered service in November 1926 and if he had been given that grade he would have been receiving Rs.600. I ~~am of opinion that he fully deserves this grade and pay and~~ believe that, although he has very good chances of being selected in Lahore for an appointment on Rs.1,400-2,100, he would be willing to stay on here if this pay and grade are offered to him.

The proposals to give Dr. A.Subba Rao Rs.600 in the grade Rs. 500-50-1,000 and Mr.V.V.Monteiro the position of Surgeon, have been agreed to by the Dewan, and the other Members of Council and I solicit His Highness' gracious sanction thereto.

The General Secretary
to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir,

I have the honour to forward the enclosed application dated 15th January 1929, addressed to the Inspector-General of Civil Hospitals, Punjab, Lahore, by Mr. V.V. Monteiro, Assistant Surgeon, Victoria Hospital, Bangalore, for the post of Dental Surgeon and to request that you will be so good as to forward the application to the Inspector-General early. The application is said to be due at Lahore on the 1st February 1929. A copy of letter dated 15th January 1929 addressed to me by Mr. Monterio is also herewith sent for the information of Government.

I have the honour to be,

Sir,

Your most obedient servant,

M Usmon

Senior Surgeon.

Letter dated 15th January 1929, from Mr. V.V.Monteiro,
Victoria Hospital, Bangalore, to the Senior Surgeon in Mysore, Bangalore,
THROUGH the Medical Officer, Victoria Hospital, Bangalore.

I learn that the appointment of Dental Surgeon to the Hospital in Lahore is vacant and applications for the post are invited. The appointment carries an initial salary of Rs.1000-50-1500. With the qualifications I possess I have a fair chance of being selected to the appointment. As you are aware, my prospects in Mysore Service will at no time be as good as the one now advertised. I am therefore desirous of applying for it. I beg to request you to be good enough to forward the enclosed application with copies of certificates and testimonials to the Inspector-General of Civil Hospitals, Punjab, Lahore with your kind recommendation.

In the event of my being selected I beg the Government may be gracious enough to permit me to take leave without allowances and accept the other post temporarily, but in case the Government cannot find it convenient to grant this concession prayed for, I shall resign my present appointment. The application is due at Lahore on the 1st February 1929 and I shall feel grateful if you will kindly forward the same before the due date with your kind recommendation.

Sir,

With reference to the advertisement appearing in the 'Statesman' of December 18, 1928, calling for applications for the post of a Dental Surgeon, I beg to offer myself as a candidate. I beg to state that I qualified in Medicine in 1918 taking the degree of Bachelor of Medicine and Bachelor of Surgery of the University of Bombay. While a student at the University of Bombay I was awarded the Anderson Scholarship for proficiency in Surgery and the gold medal in Medical Jurisprudence and Mental Diseases. In 1919 the Government of Mysore were pleased to award me a Foreign Scholarship for the study of Dental science. I proceeded to London in the same year and joined the Royal Dental Hospital and in 1922, on the completion of the course of study, I obtained the Diploma of Licentiate in Dental Surgery of the Royal College of Surgeons of England. Whilst at the Royal Dental Hospital, I was awarded the prize for proficiency in Dental Materia Medica and Certificates of honour in Dental Surgery and Dental mechanics. I also secured the Saunders Scholarship in 1922- the highest merit scholarship of the Royal Dental Hospital.

Since my return from England, six years ago, I have been on the staff of the Victoria Hospital as Surgeon in charge of the Dental Department, and that of the University

Medical College as Lecturer in Dental Surgery. I am now 33 years of age and an Indian.

I am enclosing herein copies of certificates and testimonials given to me by my Professors and Officers. Should I be selected, it shall be my endeavour to maintain the Hospital under my charge at a high level of efficiency and to infuse the spirit of research in Dental Science.

I beg to remain,
Sir,
obediently,

Monteiro.

Dr. V.V. Monteiro joined the staff of the Victoria Hospital in 1922 and has been working here since then as Surgeon in charge of the Dental Department, and Lecturer in Dentistry at the Medical College. He has taken a very keen interest in his work, and has made the Dental Department very popular. He has also been in charge of two surgical wards; and has treated his patients with great sympathy and care. His lectures on Dentistry in the College have been of a high order and are very much appreciated by the students.

I have great pleasure in recommending him for the post he is applying for, and feel quite confident that he will give every satisfaction if appointed to the post.

Dr. V.V. Monteiro, M.B.,B.S, (Bombay) and L.D.S. (Eng), was entertained into Mysore Medical Service in the year 1922 during my tenure of office as the Senior Surgeon & Sanitary Commissioner to the Government of Mysore, as Surgeon in charge of the Dental Department Victoria Hospital, Bangalore and Lecturer in Dental Surgery to Mysore University Medical College.

I have had ample opportunities to watch his career very closely since his appointment and it gives me very great pleasure to testify to his ability as a Dental Surgeon and as a clinical teacher. He has always taken very great interest in his professional work and is very popular with the students and the staff alike. His lectures both clinical and theoretical are lucid and impressive and he possesses the qualities of a teacher to a high degree. He is a conscientious and an earnest worker and given a wider scope, he is certain to distinguish himself in the speciality he has selected for himself. I heartily wish him every success in his future career.

Government Proceedings No.3987-88/ C.B.165-28-1 dated 13th March 1929 directing that Mr.V.V.Monteiro, M.B., B.S., L.D.S.(Eng), Assistant Surgeon, be promoted as Supernumerary Surgeon, VI Class on Rs.400/- per mensem with effect from 1st March 1929.

ORDER NO: 4224-5/ C B 165-28-3

Dated, Bangalore, 1st ~~March~~ April 1929.

Government are pleased to direct that the promotion of Mr.V.V.Monteiro as Surgeon shall not prejudicially affect the rank of the officers who were senior to him at the time of his promotion. Vacancies occurring in the Surgeons' grade will first be utilized for promoting such senior officers provided they are eligible and after all such officers are promoted to the Surgeon's grade Mr.Monteiro will be absorbed in the regular cadre of the last grade of Surgeons. Till then he will be treated as a Supernumerary Surgeon. A vacancy in the First Grade of Asst. Surgeons should however be kept unfilled until the supernumerary post in the next higher grade is absorbed.
